# What is a Mega Camp?

Our mega camps are a perfect opportunity for players, ages 8 to 14, to improve in all areas of the game. This camp is beneficial for beginners as well as advanced players. Campers are grouped according to age, skill level and sex. Special activities and teaching progressions are tailored to each age group. It allows every player the opportunity to touch the ball more regularly during competition. Throughout the week, we progress and typically finish the week with a tournament.

Mega camp registrations include a rubber basketball, a t-shirt, and a backpack

Age 8-14 Cost: \$225

# What is a Elite/Specialized Camp?

This specialized camp is designed to provide competitive and motivated basketball players, individualized teaching conditions and to expose talented athletes to a competitive environment. Our experienced coaching staff will share their AAA College and University (CIS and NCAA) experience with the younger players.

Elite/Specialized camp registrations include a synthetic leather cover basketball and an official practice jersey.

Age 13-16 Cost: \$225
