

## SURVIVING THE SEMESTER BEST TIPS

### BEING PRODUCTIVE

The Study Skills and Organization section of the [Student Survival Guide](#) also has useful information for:

- [Motivation](#)
- [Organization](#)
- [Time management](#)
- [Attention](#)
- [Foundations of learning](#)
- [Study routines](#)
- [Group work](#)

The “Help Services” page of the [St. Lawrence website](#) has information on:

- [Time management and procrastination](#)
- [Peer tutoring](#)
- [Adapted services](#)

Along with their suite of super interesting learning channels, Crash Course has developed a series of videos breaking down the best ways to study. Check out [Crash Course: Study Skills](#).

For support or questions about productivity, you can contact Alexandre Roussel on MIO.
