CEGEP CHAMPLAIN

OUR REGULAR DAY PROGRAMS

Starting in Fall 2024, there will be three parallel course sequences for each program and profile:

1. Non Certificate Holders
2. Certificate Holders with French Level 3 or 4
3. Certificate Holders with French Level 1 or 2

Are you a certificate holder?

If you are eligible to attend English school under the Charter of the French language and are in possession of a certificate granted by the Ministry of Education, you are considered a Certificate Holder. Your course sequence will then be determined by your results in the high school French course (1-2 or 3-4). For more information about Certificates, please consult the Ministry of Education's website.

If you are not eligible, you must follow the course sequence for Non Certificate Holders that prepares students for l'Épreuve uniforme de français (EUF – French ministerial language evaluation).

Courses in French

The courses underlined in blue are courses taught in French.

- Theory (T): Hours in class per week
- Laboratory (L): Hours of laboratory or internship per week
- Personal Work (P): Estimated personal work hours outside of class
- Total contact hours per week: Hours in class (Theory + Laboratory) for the semester
